

CONFIDENTIAL

19 March 1957

MEMORANDUM FOR: Office of Logistics/Procurement Division

ATTENTION : Contracting Officer

SUBJECT : R. O. 5, Contract RD-77, with [redacted]

25X1

25X1

REFERENCE : (a) Memorandum from C/TSS/ED to OL/PD/CB/AS dated 14 March 1956

(b) Memorandum for C/TSS/ED from Contracting Officer dated 21 November 1956

(c) Memorandum from C/TSS/ED to OL/PD, Contracting Officer, dated 30 November 1956

1. References (a), (b), and (c) were memoranda in regard to the classification of the invention made under the subject Research Order.

2. Reference (c) stated that the device developed under this project was classified Secret and that if a change in classification occurred, you would be notified of same.

3. This is to advise that the item developed under R. O. 5 of Contract RD-77 is now considered unclassified; however, Agency interest in this item is still classified Secret.
